

FOUR BIG MOVES

W A K E T R A N S I T P L A N

Connect Regionally

-  Develop a new Wake County commuter rail (train) service
-  Work with existing and planned train service, like Amtrak, to expand rail in Wake County
-  More bus service between Wake County and neighboring counties

Connect All Wake County Communities

-  More bus service connecting Wake towns and urbanized areas and job centers
-  More local bus service and/or service that connect towns to each other
-  Increase funding to towns to design their own transit projects and/or services

Create Frequent, Reliable Urban Mobility

-  Build travel lanes that can only be used by buses
-  More bus routes available at night and on weekends
-  More bus routes that are scheduled every 15 minutes

Enhance Access to Transit

-  Build more sidewalks and crosswalks
-  More lighting at bus stops
-  More shelters and benches at more bus stops
